\*Customers in the former Gulf Service Area will migrate to FPL Rate Schedules within Rate Classes.

## Summary of service charges

Type of Service Charge	Current 2021 Charge	Proposed 2022 Charge	Proposed 2023 Charge
<b>Initial Service Connect</b> New premise	\$27.00 / Residential \$50.00 / Commercial	\$12.00	\$13.00
<b>Service Connect</b> Existing premise	\$27.00 / Residential \$50.00 / Commercial	\$9.00	\$9.00
<b>Field Visit</b>	\$30.00	\$26.00	\$26.00
<b>Reconnect for Non-Payment</b>	\$60.00 / Service restored at the meter during normal business hours \$80.00 / Service restored at the meter after hours \$100.00 / Service restored because of an inaccessible meter	\$5.00	\$5.00
<b>Late Payment</b>	N/A	Greater of \$5 or 1.5% applied to any past due unpaid balance of all accounts	Greater of \$5 or 1.5% applied to any past due unpaid balance of all accounts
<b>Return Payment</b>	\$25 if ≤ \$50 \$30 if ≤ \$300 \$40 if > \$300	\$25 if ≤ \$50 \$30 if > \$50 ≤ \$300 \$40 if > \$300 ≤ \$800 5% if > \$800	\$25 if ≤ \$50 \$30 if > \$50 ≤ \$300 \$40 if > \$300 ≤ \$800 5% if > \$800
<b>Unauthorized Use of Energy</b>	Reimbursement of all extra expenses (minimum fee of \$75)	Reimbursement of all extra expenses	Reimbursement of all extra expenses
<b>Meter Tampering Charge (non-demand)</b>	N/A	\$500.00	\$500.00
<b>Meter Tampering Charge (demand)</b>	N/A	\$2,500.00	\$2,500.00

## Timeline of activities

The PSC has established the following dates to govern the key activities of the process:

Quality of service hearings	June 21-July 2, 2021
Prehearing conference	Aug. 2, 2021
Technical hearing	Aug. 16-27, 2021

The rate review process generally takes the better part of a year, and additional activities will be posted publicly on the PSC's website as they are scheduled.

Gulf Power Company  
One Energy Place  
Pensacola, FL 32520-0601

## Quality of service hearings

The PSC has set the following dates and times for hearings to provide interested Gulf Power customers an opportunity to speak about the company's quality of service and the requested rate increase.

**June 29** 10 a.m. CT (11 a.m. ET) **June 30** 2 p.m. CT (3 p.m. ET) and 6 p.m. CT (7 p.m. ET)

The service hearings will be held virtually and viewable online at the PSC's website. Visit [www.floridapsc.com](http://www.floridapsc.com) and look for the "Watch Live Broadcast" icon on the left side of the webpage. If you do not have access to the internet, you may call 1-850-413-7999 to listen to the hearings. Customer participation will be by phone. To speak at a service hearing, a customer must register via the PSC's online registration form, which will be available at [www.floridapsc.com](http://www.floridapsc.com), under the "Hot Topics" heading. Customers without internet access can register to speak by calling the PSC at 1-850-413-7080. Registration will open beginning June 10 at 8 a.m. CT, and the deadline to register is 11 a.m. CT two business days prior to each hearing. The order in which customers will speak is based on the order in which they register. Customer participation at each service hearing is limited to 50 customers. If you register to speak and wish to provide documents to the PSC, please do so by 11 a.m. CT two business days prior to your registered hearing date. These documents should be sent electronically to the Commission Clerk, via the Commission's website ([www.floridapsc.com](http://www.floridapsc.com)), by selecting the Clerk's Office tab, then select Filing Documents Electronically. If assistance in filing your documents is needed, please contact the Clerk's Office at 1-850-413-6770.

## Special accommodations

Those requiring special accommodations for the hearings should call the Office of Commission Clerk at 1-850-413-6770 no later than five days before the hearing. Any person who is hearing- or speech-impaired should contact the PSC by using the Florida Relay Service, available at 1-800-955-8771 (TDD).

## Other ways to provide comments

Customers may also provide comments by calling the Commission's Office of Consumer Assistance and Outreach at 1-800-342-3552; emailing [contact@psc.state.fl.us](mailto:contact@psc.state.fl.us); or sending a letter to the Office of Commission Clerk, Florida Public Service Commission, 2540 Shumard Oak Blvd., Tallahassee, FL 32399-0850. Written comments should refer to Docket No. 20210015-EI. A pre-addressed comment card is available for download at [GulfPower.com/CommentCard](http://GulfPower.com/CommentCard).

## Other resources

An overview of the rate request is available at [www.floridapsc.com/Publications/RateCaseOverviews](http://www.floridapsc.com/Publications/RateCaseOverviews).

Curt Mouring is the PSC representative for technical questions on this docket and can be reached by emailing [cmouring@psc.state.fl.us](mailto:cmouring@psc.state.fl.us) or calling 1-850-413-6427. Suzanne Brownless is the PSC's representative for legal questions and can be reached by emailing [sbrownle@psc.state.fl.us](mailto:sbrownle@psc.state.fl.us) or calling 1-850-413-6218.

At any time during this process, you may contact the Office of Public Counsel (OPC). The OPC was established by the Florida Legislature to represent you and the other utility consumers before the PSC. The Public Counsel is independent from the PSC and can be reached at 1-800-342-0222.

EnergyNews

RATES EDITION  
MAY - JUNE 2021

## Delivering cleaner, more reliable energy for you

As part of Florida Power & Light Company (FPL), we're adopting the company's proven practices and track record of success to move Northwest Florida toward an even brighter energy future. Our energy sources are getting cleaner, our grid is getting stronger and more reliable, and we're driving costs down for you.

Securing a more resilient and sustainable energy future for all of us, including future generations, means following the path that FPL has proven works – smart, long-term investments in the infrastructure, innovative technology and clean energy that are the foundation of our communities. To do that, we've proposed a comprehensive four-year rate plan to the Florida Public Service Commission (PSC) that would begin in 2022 and support capital investments focusing on reliability, generation upgrades, growth, and solar and energy storage facilities.

In recognition of the initial difference in the costs of serving current Gulf Power customers, the plan includes a transition rider to address those differences in a reasonable manner for all customers. This temporary charge would decline over time until rates are fully aligned across the FPL family.

Importantly, we project that at the end of the proposed four-year rate plan in 2025, our typical residential customer bills in Northwest Florida will be lower than they are today. To calculate the proposed changes to your bill, visit [GulfPower.com/answers](http://GulfPower.com/answers).

## About the rate review process

Unlike the prices of many essential items that can change at any time, the amount you pay for electricity is closely regulated, with rate changes requiring approval from an independent regulator – the Florida Public Service Commission (PSC). The PSC's mission is to facilitate the efficient provision of safe and reliable utility services at fair prices. This means the PSC oversees all rates and charges for electric service provided by utilities, such as FPL and Gulf Power. To adjust rates, utilities must file a request with the PSC, which conducts a review process that mirrors a legal proceeding with testimony and formal hearings.

A summary of FPL's rate request for 2022 to 2025 and copies of supporting documents are available at [GulfPower.com/answers](http://GulfPower.com/answers). Look for the link to the PSC website, as well as a link to the Petition & Minimum Filing Requirements under the Documents and Resources section.

# Residential rates summary

Former Gulf Power residential rates are being merged with the proposed FPL residential rates. This reference tool will help you identify your new FPL proposed rate using your current rate code located on your Gulf Power bill. The applicable residential rate code will depend on several factors including, but not limited to the demand, usage, hours of operation, and more.
